

Peak Performance Toner

100% guaranteed toner cartridges for every major make and model of laser printers

Peak Technologies leads the industry in premium laser print cartridges that provide a high quality and low cost alternative to the OEM. By significantly investing in R&D, engineering, ISO 9001:2015-certified production facilities, and state-of-the-art robotics and automation technology, our laser cartridges offer consistent, reliable performance that meets or exceeds the OEM and other aftermarket suppliers.

Every cartridge we produce goes through a comprehensive quality performance system to ensure all of our products meet or exceed OEM performance, including: OEM benchmarking, rigorous component and raw material testing, environmental chamber testing, pre and post-production testing and a centralized quality monitoring system to ensure consistent quality and performance.

Peak Performance laser cartridges provide the same quality and performance as the OEM brands such as Dell, Lexmark, HP and Brother, and are fully IP cleared.

Backed by our 100% performance guarantee, it's the easy way to lower your printing costs by as much as 40% today!
