Endless Aisle, Limitless Service.

ZEBRA CC6000

Powered by the **Zebra's CC6000 self-service kiosk**, you can give shoppers the convenience of self-service transactions like price checks and wayfinding, allow them to browse your entire inventory instead of only what's on your shelves, and tie the CC6000 to your existing loyalty program for coupons and other offers. Empower shoppers to discover, browse and purchase all on their own with this ultra-compact, out-of-the-box self service kiosk solution.

Integrated on-demand printing.

Stand Custom built and branded.

Free Standing, Wall mount, Counter and Shelf-mount options available.

Smart, modular and suited to your store.

From screen size to scanning, printing to payment options, the hardware components that go in to your kiosks are all selected for your needs, and can be individually upgraded in the future. If free-standing kiosks aren't a good fit for your space, we offer counter or even wall mounted options.

Zebra TC52

Free Standing and Counter-mount Configurations

Payment Module

Optional Countertop

Self-Checkout On The Go.

Standard VESA mount for touch-screen flexibility.

Side mount or wireless scanning

Payment mount for use with any OEM Ingenico, verifone, or other processing device.

Optional Scanner Scale

Locking wheels and small footprint allow for easy movement and set-up.

Flexible, removable shelves.

Peak's new mobile self-checkout station built around the Zebra Workstation Cradle or Zebra PH10 Point of Sale Hub has all the benefits of other self-checkout solutions with the added flexibility of mobility - quickly set it up and enable it when and where you need it with the **Zebra TC52**.
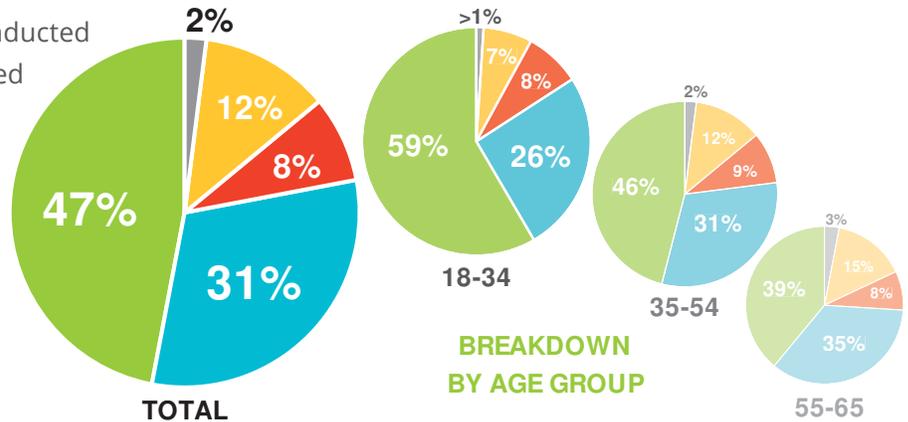

ZEBRA TC52

The **Zebra TC52** can power through a workstation cradle or a traditional single slot cradle while connected to the PH10 Point of Sale Hub on the Mobile Self-Checkout station.
